**Retail:** Merchandised, marketed and managed by Taubman Asia, The Boulevard at Studio City brings the world's best retail experiences to life in Macau. The star-studded mix of fashion-forward labels and internationally-renowned luxury brands include Macau's first Balmain, Macau's first Belstaff, and Tom Ford's largest store in Asia Pacific, amongst many others. Bespoke and personal services are offered to ensure our shoppers take center stage.

At the connection between the two theme retail streets lies Times Square Macau, designed to remind visitors of the world famous Times Square in New York. The attraction features an amazing array of futuristic technologies that unify periodically throughout the day to showcase a variety of entertainment content from both real and imaginary musicians and entertainers unlike any others in Macau. Holographic projections also add an “other worldly” attraction to Times Square Macau.

**MICE:** Studio City offers over 4,000 square meters of indoor event space with flexible configurations, allowing meeting and event planners to host anything from an exclusive banquet to an international conference, with everything customizable to the theme of their choice. The Grand Ballroom space at 1,820 square meters can be configured into three separate ballrooms with a banquet capacity of 1,600 people or a cocktail reception for over 1,900 people. Eight individual salons provide meeting and break-out spaces with extensive pre-function areas. Make your special event an opulent affair, fit for the most famous stars!
