

外星爭霸 Alien Invasion

推廣期：2018年5月23日至9月9日
免費入場

Period: May 23 – September 9, 2018
Exhibition: Free Admission

外星人現身路氹

公元 2035 年，地球人與外星人經已不再被時空阻隔，時光機、火箭就是日常交通工具，擦肩而過的可以是笨拙可愛的超兒；來自智慧星未卜先知的閃蝠；外表像人魚的生命守護者；甚至是全宇宙公認的戰鬥民族惡霸三眼天師！一眾來自星星的他們以及外星神獸將讓你大開眼界。

眾星球人的享樂新基地新濠影滙，將有太空酒吧為各位人類及非人類即場炮製外星特飲，還可直擊「影滙一號」火箭的震撼升降奇景，你更可免費透過綠屏幕於外太空行星上駕駛戰機，風馳電掣。

Seeing is believing.

It's the year 2035, when aliens and humans are no longer separated by light years, and teleporters and space crafts are just daily modes of transport. A social gathering could be anything from partying with the wise intellectual beings Spark to a game of space ping-pong with Finn, the fish-like peaceful nurturer. While you may want to give the cute and playful Chewy a pat on the head, make sure you avoid crossing paths with the Trines whose combat ability matches their notoriety. And remember to get your camera phone ready in case you spot some alien wildlife.

At Studio City, the hottest hang-out in the universe, there's the Space Bar where the coolest of the cosmos gather for a drink or two. Not only can you catch the launch of the Studio City Rocket, there's also a green screen pod race where you battle for pole position amidst flying UFOs.

More stellar wonders await. Come and let us introduce you to a brave new world.

外星人介紹

名字 Species Name	參考圖片 Photo Reference	個性及特徵 Personality and Characteristics
超兒 Chewy		<p>懶惰、笨拙和不斷進食是四眼仔超兒的特性。超兒有四隻眼睛 - 兩隻用於視力和兩隻用於尋找食物。從不間斷地咀嚼食物使超兒的下頷非常強壯。</p> <p>因為它們原本居住的星球上已經找不到食物，所以超兒來到 SC8 尋找新的食物來源。</p> <p>Lazy, clumsy, and constantly eating, Chewy is equipped with four eyes – two for vision and two for food detection, an incredibly strong jaw from nonstop chewing, and red and black teeth.</p> <p>Chewy is here at SC8 in search of new food sources since there is nothing left to eat on their own planet.</p>
閃蝠 Spark		<p>閃蝠半透明的身體散發出不同色調。</p> <p>對人類的思想和行為特別感興趣。希望抵達 SC8 後，與各種生物互動。閃蝠通常是無攻擊性，但當它們的眼睛發出尖叫音頻時，一定要立即逃跑。</p> <p>A mesmerizing spectrum of purple, green, and yellow hues radiates through the Spark's translucent body.</p> <p>The Spark arrived at SC8 to form new interactions with beings of all kinds, with a special interest in the human minds and behaviors. The Spark is harmless normally, but be sure to start running when you hear screams come out of their eyes.</p>

<p>三眼天師 Trine</p>		<p>頑強且具有侵略性。最突出的特點是額頭上擁有超凡力量的第三隻眼睛。</p> <p>它們來到 SC8 是想要征服其他物種，並使它們成為三眼天師軍隊的一部分。唯一的抵禦方法就是使用玻璃盾牌來阻擋和移轉紅外光。</p> <p>The Trine is a tough and aggressive species that fights to survive. Their most prominent feature is the third eye on its forehead.</p> <p>They came to SC8 looking to conquer other species and making them part of their army. When they start attacking with the infrared light beaming from the third eye, simply use a glass shield to block and deflect the light to fend them off.</p>
<p>飛魚 Finn</p>		<p>飛魚擁有長長的觸覺鰭，用來感知其他生物的情緒和宇宙的變化。它們之所以能擔當和平使者及宇宙調解員亦是全靠觸覺鰭。</p> <p>飛魚最初來到 SC8 想要阻止外星人的衝突，但它們不知不覺間成為人類的合作伙伴。</p> <p>Equipped with long tactile fins, Finns can use them to sense emotions of other beings and changes in the universe. The power of their fins is also crucial in substantiating their role as mediator and peace-maker of all life forms.</p> <p>Finns initially came to SC8 to stop alien conflicts, but they have slowly transgressed to help humans as well.</p>
<p>佳佳 Argie</p>		<p>佳佳是一種雙尾巴的四腳爬行生物。沒有眼睛，卻能依靠強大的觸角來尋找食物。</p> <p>它們被三眼天師馴化為戰騎。它們本性友善。只要表現善意，就能和它交朋友。</p> <p>Argie is a twin-tailed, four-legged creature with no eyes. They rely on their powerful feelers for directions and to search for food.</p> <p>They have been domesticated by the Trine to be war animals. However they are actually very friendly; be sure to befriend an Argie when you see one.</p>

<p>銀獸 Ancient</p>		<p>能抵受極端天氣的銀獸是極受歡迎的旅伴。這種強大的生物擁有銀色波浪形的皮膚，沿著頭部和身體的點點其實是眼部感應器。</p> <p>銀獸是另一種被三眼天師征服的物種。三眼天師使用它們來橫越大行星，並把它帶到 SC8！</p> <p>Its ability to withstand extreme weather makes the Ancient a welcomed traveling companion. This powerful creature has rippled skin that shines silver, and eye sensors that line along its head and body.</p> <p>A common sight on SC8 as they are used by the Trine to traverse large planets.</p>
