About Studio City

Studio City is set to take Macau's entertainment destination proposition to unprecedented new levels, by providing a 'next generation' of outstanding entertainment-driven leisure destination experiences that will help the territory's evolution into a truly international tourism center.

The Hollywood-themed studio-concept resort is a thrilling new cinematic inspired entertainment and leisure destination and is designed to be the most diversified entertainment offering in Macau. Ideally located on Cotai, close to the Lotus Bridge immigration point connecting Hengqin Island and a future station-point for the Macau Light Rapid Transit, Studio City will deliver more world-class entertainment amenities than any integrated resort in the market.

Studio City's stunning Art Deco facade includes the "Golden Reel", the world's highest figure-8 Ferris wheel which straddles the resort's two-tower hotel at a height of some 130 meters. The integrated resort will provide the ultimate in sophisticated leisure entertainment, hotel, retail, dining and lifestyle experiences.

The resort's innovative entertainment offerings include "Studio City Event Center", a 5,000-seat multi-purpose entertainment center designed to host live concerts, theatrical and sporting events; and "Studio 8", a 300-seat live-audience TV broadcast studio for reality and game-show productions distributed in the Asia
